FOREIGN GODS

Father, we do not want to have any gods before You. We see now that this world is full of temptation of things that seem harmless, but if they become our source of anything, have become idols in our lives. We do not want these anymore. We repent of entering into covenant with these demons and receive the Blood of Jesus. All of creation is now purified, redeemed, and restored back to You. We hurl down the accuser and the covenants of evil are dissolved. We ask You for the grace to overcome the habits of these behaviors full and completely until we are totally free of ever choosing to go back to those things that lead to death. Amen.

THE FALSE SOURCE (S41)

Father, I forgive the part of my soul that learned to expect my needs to be met by man through my loving parents, but did not learn how to receive from You. I forgive the part that made expectations of what my spouse would be like and how they would provide my emotional and, or physical needs. This put a burden on my spouse that no one can fulfill. I forgive the part that entered into covenant not to receive from anyone but that person. I wash these parts with the Blood of Jesus and they are purified and redeemed, I am restored and integrated. I hurl down the accuser. And Father I repent of placing this burden on my spouse, and the vows and covenants of evil that went with it. I receive the Blood of Jesus and they are dissolved. I choose You to be my source of everything. I forgive my parents for not teaching me to receive from You and wash us all with the Blood, and we are all purified, redeemed, and restored back to You, Amen.

THE PLAN B (S42)

Pappa, I forgive the part of my soul that anticipates resistance to what I want, and plans accordingly, instead of inquiring of You and uncompromisingly choosing what You say. I wash it with the Blood of Jesus and it is purified and redeemed. I am restored and made whole again. I hurl down the accuser. And Pappa, I repent of not inquiring of You and conniving backup plans to things I don't like. I receive the Blood of Jesus. I forgive every person who lead me to choices that caused trauma that would bring fear in my life. I wash us all with the Blood of Jesus and we are all purified, redeemed, and restored back to You. I hurl down the accuser and declare Your will done in my life! Amen.

THE PLAN B - SUICIDE

Father I forgive the part of my soul that has entered into covenant with the demon of suicide that ending my life would be my final solution to protecting myself from torture or seemingly endless pain. I wash it with the Blood of Jesus and it is purified and redeemed. I am restored and integrated. I hurl down the accuser. Father I change my mind about having any Plan Bs, but especially suicide as a solution to torture. I choose You to be my source of freedom from pain. I received the Blood of Jesus and the covenant of suicide is dissolved. And I forgive every person who has betrayed trust after gaining access to the deepest parts of my heart. I wash us all with the Blood of Jesus and we are all purified, redeemed, and restored back to You. I hurl down the accuser. Amen.
