

Sample Prayer: FOUR COVENANTS OF RELATIONSHIP WITH GOD
(Servant, Friend, Child, Adult Bride)

I freely choose to believe that Jesus died so that I could live, and was resurrected for the world to see. I declare that He is my Lord and King, and by His Blood, I have been made clean to enter Your presence, God. I am now seated in heavenly places with You: face-to-face with the living God. I choose to express to You all that is in my heart, and I want to hear what is in Yours! In this place, I choose to lay down my life: my hopes, dreams, and plans, my fears, protection, provision, and promotion. I am an empty vessel waiting for You to fill. You are my Father, and I am Your son / daughter. I have Your name. I live in Your house. I ask You to release to me my inheritance: a new wineskin and a never-ending supply of new wine.

I receive the commission of Jesus by participating in the rescue of creation through love and forgiveness. I receive the Holy Spirit of Christ within me, so that I have the power to see Your plan accomplished. I choose to start the mission by seeing myself rescued first. Father, I ask You to shine Your Light in my life to reveal the hidden sins, and the hidden treasures. I ask You to give me my portion of Your will done today, and everyday from now on. I rest, trusting that You will guide my steps to the covenant that You have established for my life. Amen.
