

T19 (Resurrection) Sample Prayer

RELEASING CONSEQUENCE

“Father, in accordance with Your will, we wash Jim with the Blood of Jesus so the power of his lie is dismantled, and every victim is now purified, redeemed, and restored back to You. We send consequence to Jim that he might see that lying is harmful. That he might know that there are victims who suffered because of his choice, and thereby be motivated never to do it again. Amen.”

CONCLUSIONS

“Pappa, the story of love You tell is never beginning and never ending. From our relationship with You, we know that this is the context of the universe. And so we no longer enter into conclusions, either as the end of something, or as an assessment. Each piece in this puzzle tells a part of the story, but not the whole story itself. We no longer try to understand the universe starting with the little pieces, we start with You. You are the whole. Through You we know the whole and receive revelation that allows us to understand the pieces, or, moments now. When this world ends and a new earth is revealed, we know that You will transition us to the next stanza of the song. It won't be a different story, it is the same! We will see the story continue to grow, as it always has, and as it always will. To this we say, “yes and amen!”

TRANSITION S45 - C-SECTION

*“Father, I forgive the part of my soul that was traumatized by changes that had no transition when I was young. I forgive that part of me that felt betrayed and afraid, abandoned and lost. The part that made a vow to never grow up, and has resisted responsibility ever since. The part that always seeks the minimum required to get by instead of embracing what I've been called to. I was these parts of me with the Blood of Jesus, and they are purified and redeemed. I am restored and made wholly **integrated** again. I **repent** of this vow, and by the Blood of Jesus, it is dissolved. The program of avoiding adult responsibilities is dismantled, and I choose You to be my source again. I **forgive** those people who brought change without transition with the Blood of Jesus, and all of creation is now purified, redeemed, and restored back to You. I hurl down the accuser. Amen.”*

TRANSITION FOR BABIES

“Pappa, we lift up to You this little baby, still in it's mother's womb. We bless it with transition from being breathe in heaven, to a child on earth. We forgive their father, mother, all ancestors, all those they've been in covenant with, and all those who trespassed against them but were not forgive. We wash them all with the Blood of Jesus and all of creation is purified, redeemed, and restored back to You. We hurl down the accuser and speak life over them. We post the angel of transition to walk them through the massive change taking place as their soul adjusts to the difference between the purity of heaven and the selfishness of earth. By the grace of God, may they thrive and grow! Amen.”
