

Sample Prayers from CONSPIRACIES

POLITICS

Pappa, we do not want to be deceived by the evil one anymore. We see the truth that the real choice in front of all humans is Love or not Love. We choose You as our source of everything and to rest knowing that You are the solution that the world needs, and we are the gates that come after Jesus to bring people to Him, and therefore You. We rise above the political affiliations that try to distract us from Your plan of Love, and establish ourselves as citizens of the Kingdom. While we may continue to operate in the world, giving to Caesar what belongs to Caesar; we are not of it, and so do not get caught up in the web. We repent of receiving the lies of fear and anger that come from these demonic strategies, and of the false need to control and carry burdens that result from it. We forgive all those who have transmitted these deceptions. We wash us all with the Blood of Jesus and we are all purified, redeemed, and restored back to You. We hurl down the accuser. Our new life is to follow the Lamb where ever He goes, and therefore, rest. Amen.

MARRIAGE

Father, we believe that marriage is a covenant that is established by You. Any other recognition is supplemental and not necessary in Your eyes. We repent of falling for the deception of evil that caused us to fight against people who choose marriage that is outside of Your plan of Love. We see now that we are the ones who are called to dismantle the deceptions, and cleanse the land of idolatry so that sexual immorality can be weakened. We are the ones who are called to rescue those that choose to live according to the deception that selfishness is eternal when it really brings decay. We are the ones called to Love. We forgive those who are transmitting these deceptions and wash us all with the Blood of Jesus. We are all purified, redeemed, and restored back to You and the deceptions are dismantled. We ask You to intervene in all of our lives with truth. Amen.

GUN CONTROL

Pappa, You are the source of our protection, not weapons. We choose to live by You and not by the sword. We repent of fear, anger, control, and having a source other than You. We forgive those who bring the false threats that cause the world to seek man or ourselves as the source of protection instead of You. We wash us all with the Blood of Jesus and we are all purified, redeemed, and restored back to You. We hurl down the accuser and the deceptions are dismantled. We ask You to intervene in all of our lives with truth. Amen.

ABORTION

Pappa, we see now that the system of humanity does not have the power, authority, or even the desire to stop the murder of innocent children. We do. So we repent of believing the lies that cause us to depend upon laws to stop it, and of the fear and anger that have been produced in us. We forgive those who encourage sexual immorality and the bloodshed of innocent children. We wash us all with the Blood of Jesus and we are all purified, redeemed, and restored back to You. We hurl down the accuser and the deception is dismantled. Please intervene with truth. Amen.

DEATH PENALTY

Pappa, we need Your justice, not the justice of the system of humanity. As we have been forgiven, equally we forgive. But we also know that justice is Your way and so we agree with You and release justice in the form of Your consequences that cause people to see the detriment of selfish choices and keep us all from judgement. We repent of depending upon humanity's solutions, and return to You as our only solution. We forgive those who deceive to lead us astray. We wash us all with the Blood of Jesus and we are all purified, redeemed, and restored back to You. We hurl down the accuser and the deceptions are dismantled. Amen.

GENERATIONAL TIME BOMBS (Reflection Example)

Father, we repent of receiving the sins of our forefathers and judging physical intimacy as being morally wrong instead of seeing Your rehearsal of what is to come. We forgive our ancestor who responded to fear by accepting this mindset on their wedding night, and cursing the children down the generations to us. We wash us all with the Blood of Jesus, and we are all purified, redeemed, and restored back to You. The curses are undone. We choose to receive the antidote and see physical intimacy as You do: an expression of Love with our spouse that reflects heaven, here on earth! Amen.

BLIND SPOT SPLINTER 19A THE WOMB

Father, I forgive the parts of my soul that was traumatized in my mother's womb when the tainting of my forefather's came into my DNA. I forgive the parts that became afraid, angry, and wanted to control my life or lives of others. I wash them with the Blood of Jesus and they are now purified and redeemed. I am restored and integrated. I hurl down the accuser. And Father, I repent of all fear, anger, and control I received from my forefathers. I forgive them of every sin that brought these into being and wash us all with the Blood of Jesus. We are all purified, redeemed, and restored back to You. I hurl down the accuser. Amen.

BLIND SPOT SPLINTER 19B THE STUMBLING BLOCK

Pappa, I forgive the part of my soul that uses my irrevocable call as a priest to demand truth, and thereby resisting the discernment of my accountability partner when they tell me about blind spots that I cannot see. I wash it with the Blood of Jesus and it is purified and redeemed. I am restored and integrated. I hurl down the accuser. And I repent of resisting accountability, of self defense, and of misusing my calling. I forgive all those in my lineage who have done the same and wash us all with the Blood of Jesus. We are all purified, redeemed, and restored back to You. I hurl down the accuser. Amen.

NATIONAL BLIND SPOTS (U.S. Example)

Pappa, we repent for every time that we have believed the lie that every culture is American, or should be. We repent for disrespecting and dishonoring the cultures of other nations because of a blind arrogance that has permeated our culture. We forgive all our countrymen who have done the same. We forgive all of our forefathers who tried to build a nation upon confidence in humanity instead of trust in You. We wash us all with the Blood of Jesus and we are all purified, redeemed, and restored back to You. We hurl down the accuser and declare that we are Your people. We ask You to intervene in all of our lives with truth that we might choose better in the future. Amen.

SIGN LANGUAGE

Pappa, we accept the call to see the logs in our own eyes. We want to be subjected to the Light, never hiding in the darkness so we can be free of the wounds that cause us to choose selfishness over selfless Love. We also choose the privilege of being vulnerable and accountable by praying for each other. We ask You to bless us that we might become an ever maturing people of Love. In Your timing, we open the doors to those in our city and beyond who need prayer from us. Let us be a Light on a hill that rescues those who need it the most and brings rest to the heavy hearted. We choose to go and pray over all of creation to see our cities RESTored back to your plan of Love. We give You the glory and the honor. Amen.
