

T13 (Temple) Sample Prayer from CIRCUMCISED HEART

RESPOND DON'T REACT

Pappa, we inquire of You in this situation. We want to know Your will, Your way, and to respond to it. There are circumstances that are painful to us, but we choose not to react to them. We don't want to become accusers, we want to become rescuers who bring love where it is needed most. We trust You and ask You to lead us to Your heart so we can express the bounty of Your love. We rest, knowing that You will see it done through us. Amen.

THE AUTOMATIC PILOT (S43)

Heavenly Father, I forgive the part of my soul that 'freezes' when it feels intimidated and causes us to follow others without really choosing. I forgive it of obeying commands, accepting invitations, or even answering calls of strangers, friends, and family because it shut down. I forgive it of failing to say 'no' or even 'yes' when it should. I wash this part with the Blood of Jesus, and it is purified and redeemed. I am restored and integrated. I hurl down the accuser and change my mind. I choose to return to You, Father. I repent of shutting down and giving myself away to others instead of giving myself to You. I choose to trust you and receive the Blood of Jesus. I also forgive those who bullied me into submitting to their will and all those in my family to did the same. I wash us all with the Blood of Jesus and we are all purified, redeemed, and restored back to You. The accuser is hurled down. Amen.

THE ADMINISTRATOR (S44)

Father, we forgive the part of our soul that is managing the vows and covenants we have made to maintain and promote our self instead of dying so our eternal part can be resurrected. We forgive it of every desperate attempt to hide our selfishness, and preserve its will or Your will its way. We wash this part with the Blood of Jesus and it is purified and redeemed. I am restored and made whole again. I abandon the accuser and cross the threshold back to You. I repent of the habits of fear, anger, mockery, control, addiction, rebellion, and every trait that I've been trying to hide and preserve. I repent of every covenant that has kept them in place and receive the Blood of Jesus. I forgive my forefathers who did the same. I wash us all with the Blood of Jesus and we are all purified, redeemed, and restored back to You. The accuser is hurled down and we are free to live in the pure selflessness of Your love. Amen.
