

T14 (Legacy) Sample Prayer from CREATION'S BLOOD

RED (First Nations or Tribal Peoples)

“Pappa we repent of anger and all reactions to the injustices that are remembered in our own DNA. We lay down our accusations to be free from that which locks in pain. Instead the pain is released. We forgive those who lied, stole, and broke covenant with us and wash us all with the Blood of Jesus. We are all now purified, redeemed, and restored back to You. We abandon the accuser and cross the threshold into our inheritance of taking the Holy Spirit and the blessings of the spiritual realm to the world. We become world changers with an enormous impact on every living soul. Amen.”

YELLOW (Asian Descent)

“Father we repent of fear and the need to control our lives and the lives of our family. We repent of receiving man's order that prohibits freedom to follow You where ever You go. We dismantle the walls that we built around our souls to protect ourselves from a lack of intimacy. We receive the Blood of Jesus and are now purified, redeemed, and restored back to You. The accuser is hurled down and we return to You. We dismantle the walls we built around ourselves and receive Your ruach breath to be filled with Your presence again. We receive and release the gift of maturity for Your people so we all can be safe in Your arms to produce a mighty harvest with the responsibilities You are giving us now. Amen.”

BLACK (African Descent)

“Heavenly Father we repent of rebellion. We don't want our way, we want Yours: Your will done, Your way, everyday. Equally we forgive those who have misunderstood us, belittled our value, and wrote us off. We forgive them of trying to steal our freewill from us. We wash us all with the Blood of Jesus and we are all purified, redeemed, and restored back to You. We rise up in our covenant and introduce the Holy Spirit of the world. In so doing, we release forgiveness to the world. We teach the world how to trust in You so finally, they can rest. Amen.”

WHITE (European Descent)

“Pappa we repent of lying, conniving, swindling, and stealing all things of value including the freewill of others to get what we want. We repent of backstabbing those we built trust with to feed our flesh. We lay down that life of devouring the world around us to become servants who love. We forgive all those who judge us to this day whether we are guilty or not. We wash us all with the Blood of Jesus and we are all purified, redeemed, and restored back to You. We want to separate Light from dark, Truth from deception, Love from selfishness. We want to overcome the accusations and show the world the difference between Jesus and the religion of Jesus. Amen.”
